

四フッ化エチレン・パーフルオロアルコキシエチレン共重合樹脂

# PFA樹脂製継手

高純度薬剤用フッ素樹脂製配管継手

金属イオンを嫌う高タンパク医薬・食品に好適

既存SUS継手と接続可能

**CYNERGY® SYSTEM  
PRODUCT CATALOG**

*The only all-Teflon® PFA, steam-in-place capable system*

# Table of Contents

## Section 1: Introduction

Cynergy® Sanitary Components .....	7
Biofilm Removal .....	7
Engineering .....	7
Materials Technology Laboratory .....	8
Product Test Laboratory .....	8
Manufacturing Capability .....	9
Performance Specifications .....	10
Cynergy PVDF Tube Adapter .....	10
Flaretek® Glass Transition Fittings .....	10
Gasket and Clamp Recommendations .....	11
Product and Material Lot Traceability .....	12
Drainability .....	13
Entegris Test Standards and Protocols .....	13
Custom Product Capability .....	13
Materials .....	13

## Section 2: Product Ordering Information

Cynergy Valves .....	18
Injection Molded PFA Valve .....	18
Crane Valve Partnership .....	18
Specifications .....	19
Diaphragm Valve Weight Comparison .....	19
Performance Data .....	20
C <sub>v</sub> (K <sub>v</sub> ) vs. Handle Turns .....	20
Cynergy Valves .....	21
Cynergy Manual Valves ½" .....	21
Cynergy Pneumatic Valves ½" .....	22
Cynergy Manual Valves 1" .....	23
Cynergy Pneumatic Valves 1" .....	24
Cynergy Manual Valves 2" .....	25
Cynergy Pneumatic Valves 2" .....	27
Cynergy Access Port Valves .....	29
Cynergy Manual Access Port Valves 1" .....	29
Cynergy Pneumatic Access Port Valves 1" .....	30
Cynergy Manual Access Port Valves 2" .....	31
Cynergy Pneumatic Access Port Valves 2" .....	32
Cynergy Access Port Valve Assemblies .....	34
Ordering Information .....	34
Dimensions .....	35
Right Oriented Access Port .....	36
Left Oriented Access Port .....	37
Cynergy Clamp Fittings .....	38
Sweep Elbows .....	38
Tees .....	38

Eccentric Reducers .....	39
Concentric Reducers .....	39
End Caps .....	40
Ferrules .....	40
Cynergy Beadless Weld Fittings .....	41
Sweep Elbows .....	41
Tees .....	41
Eccentric Reducers .....	42
Concentric Reducers .....	42
Cynergy Beadless Weld Tubing .....	43
Cynergy Weld-in-Place™ Equipment .....	44
Cynergy Support System .....	46
Complementary Fittings .....	47
PVDF Tube Adapters .....	47
Recommended Silicone Tubing Sizes .....	47
Flaretek Glass Transition Fittings .....	48
Cynergy Adapter Fittings .....	49
Cynergy Clamp-to-FlareLock® II Adapter .....	49
Cynergy Clamp-to-PureBond® Adapter .....	50
Cynergy Clamp-to-Flaretek Adapter .....	51
Tools .....	52
Tube Cutters .....	52
FlareLock II Groove Tools .....	52
Flaretek and FlareLock II Flare Tools .....	53
Flaretek and FlareLock II Heating Tools and Replacement Kits .....	53
Custom Fabrication Service .....	54
Custom Examples .....	54
Cynergy Beadless Weld Spools and Subassemblies .....	55
Ordering Information .....	55

## Section 3: Corporate Policies

Ordering Information .....	59
Quality Policy .....	59
How to Order Entegris Products .....	59
Product Changes .....	59
Technical Support Services .....	59
Special Order .....	59
Fittings .....	59
Patents .....	60
Environmental Statement .....	60
Terms and Conditions .....	60
